BAPTISM AT
FAITH BAPTIST
CHURCH, RABON

Pastor, Dr. Danny Ravana

For those of us who have received Christ as Savior and have ourselves been baptized, it is a special joy to watch others be also. Sunday afternoon on May 22, Dr. Danny Ravana baptized 10 new converts of FBC, Rabon. Because of government restrictions that limited the number of those able to gather, these ten had to wait a year to be baptized. Five families are represented among these new Christians and what a blessing it is to our hearts, and to the Lord's, to see families be saved! Dr. Danny asks that we pray for their continued growth and faithfulness.

On May 27th FBC, Rabon hosted a Kid's Mini Sports Fest. It was a special day for both local and church kids filled with games, snacks and the Gospel. We give thanks for the volunteers and ministry workers who made this outreach possible. Please continue to lift this church up in prayer and for the Lord to continue His blessing and provision towards them!

A very special and important event took place on Sunday, May 22nd for Pastor Melvin Mapa. Over the last several months he and ministry workers from the Vine's Church have been visiting communities and inviting the adults that are interested to form home Bible studies and the children to attend local outreaches. The Lord has blessed him with ten of these Bible studies and on Sunday, the 22nd, they held their first formal gathering as a unified church body. They will be having Church Camp June 2nd-3rd and we ask that you please pray for the official launching of Faith Baptist Church, Parañaque on June 26th.

We're praising the Lord for this couple,(pictured below) the newest converts at Pastor Melvin's church plant.

As things seem to be nearly back to normal (whatever that is) we are so thrilled to be returning to both new and familiar churches. It is a blessing to be able to see and share face-to-face all that the Lord is doing in FOM. Many of you are kind to express interest in what else we have going on in our lives and the short answer is "much" :). Besides our work for FOM, Myron continues to work Monday - Saturday and most Sundays he is either is preaching in an area church or visiting in supporting churches. Kim, along with her FOM bookkeeping/secretarial duties, babysits our three granddaughters, and Andra, along with her various FOM duties, assists her in that when she is not teaching. The Lord has blessed our family and we bless His name!
